Pharmacy Directory

Introduction

This booklet provides a list of CareSource Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and CareSource Advantage's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means CareSource. When it refers to "plan" or "our plan," it means CareSource Advantage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under CareSource Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of July 12, 2013. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Pharmacies are listed by type, such as retail, mail order, home infusion or long-term care. The pharmacy type is indicated in the upper-right corner of each page.

Disclaimers This directory is for Ohio. We also list pharmacies that are in our network, but are outside Ohio. If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

CareSource Advantage is a coordinated care plan with a Medicare contract and a contract with the Ohio Medicaid Program.
