Listing Terms

Acceptance of New Patients*: The doctor is able to receive new patients into their practice.

Board Certification*: The doctor has received recognition for their expertise in a particular specialty or subspecialty of medical practice. This is achieved through a voluntary and rigorous process of testing and peer evaluation. Recertification is required to maintain recognition. This information can also currently be viewed at www.boardcertifiedocs.com.†

Hospital Affiliations*: Hospital locations a doctor has privileges (approval to use the facility for patient care). A doctor being a part of a hospital doesn't mean the hospital is part of the HAP CareSource network. Please confirm the hospital is in-network by calling the Member Services. You can also visit **findadoctor.CareSource.com** to find one near you.

Gender: What the doctor identifies as.

Language*: The language(s) the doctor and/or their staff can speak and communicate to those needing medical care.

Medical Groups*: Groups related to the doctor. They often have similar specialties.

Name: The doctor's name

Office Locations: Where you can go for your visit.

Practice Location Name: The name of the doctor's group, if there is one.

Specialty: The area of medicine that the doctor has special training in. The information is collected through the provider attestation during the credentialing/re-credentialing process and at the time of any change in the physician's professional standing.

*This information is voluntarily provided to the health plan by the physician at the time of credentialing/re-credentialing process and at any time the physician notifies the health plan of any changes.

† BoardCertifiedDocs has been designated by the ABMS as an Official Display Agent and provides this primary source data on the organization's behalf. The ABMS has been designated a primary source of board certification information by the Joint Commission for Accreditation of Healthcare Organizations (JCAHO), the National Committee for Quality Assurance (NCQA) and URAC. (The ABMS website information is updated monthly.)
