

NETWORK Notification

Notice Date: October 1, 2024
To: CareSource PASSE Providers
From: CareSource PASSE
Subject: Prior Authorization Portal Enhancement Update

Summary

In September 2023, CareSource PASSE™ shared a network notification regarding our [Prior Authorization Process Enhancement](#) project. Since that time, several system enhancements have been made that will allow all provider types to submit authorizations through the [provider portal](#) with a projected Go Live date of November 1, 2024.

Impact & Importance

Enhancements to the Prior Authorization Enhancement project include:

- Waiver, atypical providers and other outpatient behavioral health providers including ABA, will be able to submit via the provider portal
- Outpatient authorization type to reflect Home and Community Based Services category
- Electronic form enhancements to include the addition of multiple modifier fields to allow for specification of services
- Immediate notification of authorization submission through provider portal
- Procedure Look up tool language updates to align with process changes
- Updated Prior Authorization forms identifying the provider portal as the preferred and faster method for submitting a request

CareSource PASSE will be offering training on the Prior Authorization Portal Enhancements. To learn more, please see the training schedule in the table below.
