### Mission

To make a lasting difference in our members' lives by improving their health and well-being.

### Vision

Transforming lives through innovative health and life services.

### Story

From the beginning, CareSource has been changing the face of health care. As a national leader in managed care, we firmly believe the future of health care will be shaped by those who innovate and drive value for consumers. That is why we don't just provide essential health services—we go further and provide innovative programs to assist our members in overcoming barriers and addressing the social determinants of health.

CareSource offers benefits that cover the full spectrum of our members' journeys. Regardless of their age, we offer a lifetime of care and an unwavering promise of health care with heart.

### Values

- ✔ We value our employees
- ✔ We live the mission
- ✔ We drive innovation through learning and continuous improvement
- ✔ We demonstrate accountability to deliver results
- ✔ We collaborate to support a matrix environment

# Services

## Medicaid

CareSource provides managed-care services for families, children, pregnant women, adults up to age 65 and people who are blind or have disabilities. Our Medicaid plan covers all medically necessary Medicaid-covered services in addition to expanded benefits.

## Marketplace (QHP)

CareSource provides low-cost coverage for young people, those who aren't offered employer-based insurance, those with pre-existing conditions and many others. Our Marketplace plans have optional vision and dental coverage as well as subsidized options through the Health Insurance Marketplace.

## Medicare Advantage

CareSource provides the affordable health care that seniors need while providing the personal care they deserve. Our Medicare Advantage plans offer extra benefits like enhanced vision, hearing and dental coverage.

## Dual Eligible

CareSource provides the affordable health care that seniors need while providing the personal care they deserve. Our Medicare Advantage plans offer extra benefits like enhanced vision, hearing and dental coverage.
