Procedure Code Update Process

PRE-PROCEDURE

Update procedure codes on an authorization **prior** to the date of service

Call TurningPoint. If medical necessity review is required for the new coding, a new request will be created and you may have to submit additional clinical documentation.

POST-PROCEDURE

Update procedure codes **after** a surgery has taken place

If a change was made to the procedure that was originally authorized, a Post Service Change Review can be submitted to TurningPoint to update the procedure prior to submitting the claim to the health plan. You may have to submit additional clinical documentation including post op notes.

*The PSCR form can be found in the “Help” tab within the TurningPoint Portal.

Appeals

TurningPoint is not delegated for appeals. Appeals should be submitted directly to the health plan. Final notification letter will provide detailed instructions for appeal submissions.

Claims

TurningPoint is not delegated to process claims. Providers should continue to submit claims as they do currently.

TurningPoint Market Launch

Program Effective Date

Members with a date of service on or after **01/01/2024**

TurningPoint will begin accepting these Pre-Authorization requests on **12/18/2023**
