

**Did you know that starting in 2016, Federal law requires certain Medicaid and PeachCare for Kids® members to receive a 1095-B form each year? This includes select members who receive coverage through any one of the Georgia Care Management Organizations (CMOs) - Amerigroup, Peach State, WellCare, or CareSource.**

The 1095-B form is used when you file your taxes to report to the IRS that you had Georgia Medical Assistance during the tax year so that you are not liable for the individual shared responsibility payment.

In order to ensure that you receive the form more timely, you can consent to have it delivered to you electronically via the Georgia Medicaid Management Information System (GAMMIS) web portal. If you choose to receive the 1095-B form electronically and you are already registered on the GAMMIS web portal, please ensure we have your correct email address. You can provide your consent and review a list of Frequently Asked Questions by going to [www.mmis.georgia.gov](http://www.mmis.georgia.gov) under the member information tab or clicking [here](#).

You must provide your electronic consent by December 15, 2017. If we do not receive your consent, we will mail the form(s) to you and your dependents at the last known address on file.

If you have any additional questions, please contact Georgia Medical Assistance at 1-877-512-3129 or your CMO.

Thank you for choosing Georgia Medical Assistance!
