Notice Date: October 18, 2024
To: Ohio MyCare Providers
From: CareSource
Subject: Waiver Authorization Requirements

Summary

All MyCare waiver services require an authorization. This includes both T1002 for Registered Nurse (RN) Waiver Nursing Services and T1003 for Licensed Practical Nurse (LPN) Waiver Nursing Services.

The service must be authorized by the care manager prior to delivery of the actual services.

Impact

Any claims submitted without a prior authorization will deny.
