

Preferred Diabetic Supply List

CareSource follows the Indiana Family and Social Services Administration (FSSA) when selecting preferred diabetic supplies for our Indiana Medicaid members. The selected preferred vendors for blood glucose testing monitors, testing supplies, and continuous glucose monitors (CGMs) are Roche Diabetes Care, Trividia Health, and Dexcom.

The Preferred Diabetes Supply List (PDSL) was created to assist providers and members in selecting preferred blood glucose testing monitors and testing supplies. Updates to the PDSL are published periodically. Table 1 provides an updated list of all products on the PDSL.
