

Support When You Need It: CareSource Expungement Benefit

CareSource is here to help! We will cover the cost of expungement (up to \$500) if you qualify. Expungement means to erase a past criminal offense from a person's record.

You must:

- Not have pending charges in any state.
- Pay all fines, fees, court costs and restitution. (We will help cover these costs with this fund.)
- Wait the required time since the offense or conviction.
- Be part of the CareSource Reentry Program™ or CareSource JobConnect™ through CareSource Life Services®.
- Get a letter of approval from the prosecutor's office.

You must also meet all state requirements for expungement. You can learn more at: <https://www.in.gov/isp/criminal-history-services/expunge-criminal-history/>.

Call to ask us about how we can help with expungement. You can reach us at 1-317-982-6495. You can also email us at IndianaRe-entry@Caresource.com.

Need legal help?

There are groups in Indiana that offer legal services to those in need or can help you learn more.
