

NETWORK *Notification*

Notice Date: May 30, 2024
To: Indiana Medicaid Providers
From: CareSource
Subject: Continuous Glucose Monitors Product Enrollment & Billing Guidance Provider

Summary

Continuous glucose monitor (CGM) products/supplies will no longer be covered as a medical benefit billed on a CMS-1500 claim form. CareSource members will be instructed to take their prescription to a participating network pharmacy provider to be filled.

Impact

Prior to June 1, 2024, durable medical equipment (DME) providers enrolled with the Indiana Health Coverage Program (IHCP) as Provider Type 25 and Provider Specialty 250, were eligible to bill continuous glucose monitors (CGM) products/supplies to CareSource as a medical benefit billed on a CMS-1500 claim form. To continue providing CGM products/supplies as a pharmacy benefit, starting with dates of service on and after July 15, 2024, DME providers will need to be:

- Enrolled with IHCP as Provider Type 24 (Pharmacy) and Provider Specialty Code 250 (DME/Medical Supply)
- A participating pharmacy provider with Express Scripts, Inc. (ESI), to continue providing CGM products/supplies, as a pharmacy benefit

Importance

DME providers enrolled with IHCP as Provider Type 24 (Pharmacy) & Provider Specialty Code 250 (DME/Medical Supply) should contact Express Scripts, Inc (ESI) at NetworkCompliance@Express-Scripts.com to request enrollment as a participating pharmacy provider/supplier.
