# How To Use Your Provider Directory

This is a list of health care providers you may go to. A Primary Care Provider (PCP) is your main doctor who takes care of you. Call the Humana - CareSource™ Member Services Department at **1-855-852-7005** (TTY users: 1-800-648-6056 or 711) if you need help reading or understanding this list. It can be read to you in English or in your first language. Written translations may be possible. It may also be printed in some other way if you have trouble seeing.

The data in this list is up-to-date as of 12/5/2013. The data can change. We check and update it often. You should always check with the provider to make sure. Call the Humana – CareSource Member Services Department at **1-855-852-7005** (TTY users: 1-800-648-6056 or 711) if you have any questions.

This list is split into sections by county. You can go to any provider no matter what county they are in.

If you don't find the provider you're looking for listed in your county, please check neighboring counties in this list. Or look on our website at [Caresource.com/KY](http://Caresource.com/KY). Select "**Find a Doctor/Provider**" under the Kentucky Member tab. Or, call Humana - CareSource's Member Services Department at **1-855-852-7005** (TTY users: 1-800-648-6056 or 711).

## **Primary Care Providers (PCPs)**

Each Humana – CareSource Member must choose a PCP. Your PCP is a doctor, or a doctor group. Your PCP could also be an Advanced Practice Registered Nurse (APRN) or APRN group. Or your PCP could be a Physician Assistant (PA). Your PCP is trained in:

- Family Health Care (general practice); or
- Internal Health Care; or
- Child Health Care (pediatrics)

Please choose a PCP from this list if you do not have one. Then call Humana – CareSource with your choice.

We review the professional qualifications of the providers in our directory except where noted. This helps make sure you get quality care. For more details, please contact us. Thank you.
