## Section 1 – Introduction

This directory provides a list of CareSource Advantage / CareSource Advantage Plus / CareSource Advantage Zero Premium network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers who are listed in this directory to be your **P**rimarily **C**are **P**rovider (PCP). The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP.

The “network providers” listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. Other physicians/providers are available in our network. Please refer to your Evidence of Coverage (EOC) or Summary of Benefits for additional details. If a non-network provider asks you to pay for covered services, please call Member Services at **1-800-833-3239**. TTY users should call 711.

You may also send the bill(s) or claim with supporting information that explains the situation to:

CareSource Medicare Advantage  
P.O. Box KY 824  
Dayton, OH 45401-0824

You can also use our online search tool, “Find a Doctor/Provider” to find out if your doctor is in our network. If you use providers that are not in our network, the plan may not pay for these services.

In an emergency you can get care immediately. You do not have to contact your PCP or get prior authorization in an emergency. You can dial 911 for immediate help by phone, or go directly to the nearest emergency room, hospital, or urgent care center.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor CareSource Medicare Advantage / CareSource Medicare Advantage Plus / CareSource Advantage Zero Premium will be responsible for the costs.

**What is the service area for CareSource Advantage / CareSource Advantage Plus / CareSource Advantage Zero Premium?**

# CareSource Advantage / CareSource Advantage Plus / CareSource Advantage Zero Premium

## 2017 Pharmacy Directory

### *Introduction*

This booklet provides a list of CareSource Advantage / Advantage Plus / CareSource Advantage Zero Premium's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the CareSource Advantage / CareSource Advantage Plus / CareSource Advantage Plus Zero Premium formulary.

When this pharmacy directory refers to "we," "us", or "our," it means CareSource. When it refers to "plan" or "our plan," it means CareSource Advantage / CareSource Advantage Plus/ CareSource Advantage Plus Zero Premium.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under CareSource Advantage / CareSource Advantage Plus / CareSource Advantage Plus Zero Premium only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **05/04/2017**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery service. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
