The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact <u>www.caresource.com/marketplace</u> or call 844-539-1733. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at healthcare.gov/sbc-glossary.

| Important Questions   | Answers   | Why This Matters:  |
|---|---|--|
| What is the overall<br><u>deductible</u> ?                                | \$0 individual/\$0 family per Benefit<br>Year   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services<br>covered before you meet<br>your <u>deductible</u> ? | Yes. <u>Preventive care</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount.<br>But a <u>copayment</u> or <u>coinsurance</u> may apply.   |
| Are there other<br>deductibles<br>for specific<br>services?               | No  | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket</u><br>limit for this <u>plan</u> ?          | \$2,000 individual/\$4,000 family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?                  | Premiums, balance-billing charges<br>and health care this plan doesn't<br>cover.                                      | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |
| Will you pay less if you<br>use a <u>network provider</u> ?               | Yes. See<br><u>www.caresource.com/marketplace</u><br>or call 844-539-1733 for a list of<br><u>network providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> .<br>You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                | No  | You can see the <u>specialist</u> you choose without a <u>referral</u> .   |
