To: Michigan Medicaid and MI Health Link Providers
From: CareSource
Subject: Interactive Health Library

Summary

HAP CareSource and HAP CareSource MI Health Link is excited to announce the launch of the [Interactive Health Library](#). The Interactive Health Library is a member-facing self-service website that contains a variety of topic-specific articles and interactive tools.

We encourage you, our valued provider, to inform your patients about the Interactive Health Library and its various features/benefits such as:

- Quizzes to help members learn more about their condition(s)
- Promote healthy habits
- Reduce stress
- Encourage emotional wellbeing

You can learn more about this website and its benefit to our members by visiting [CareSource.com](#) > Members > [Education](#).

Thank you for your continued partnership!
