Re: Summary of PDL Changes Effective June 15, 2024

Dear CareSource Member:

Your health care is our priority. That is why we are writing to tell you that on June 15, 2024, CareSource will change its Preferred Drug List (PDL). A PDL is a list of preferred drugs.

THE FOLLOWING MEDICINES HAVE A CHANGE IN STATUS EFFECTIVE JUNE 15, 2024.

Brand Name	Generic Name	Dose(s)	Notes
Fasenra	Benralizumab	30 mg/L injection pen or syringe	Updated age limit
Rezdiffra	Resmetirom	All strengths of tablet	Added prior authorization
Wegovy	Semaglutide	All strengths of injection pen	Added coverage and prior authorization for specific disease states. This change is effective June 1, 2024.

What should you do?

First, talk to your prescriber. There may be other medicines on the CareSource PDL that you can take instead. There are a few ways you and your prescriber can find medicines:

- You can look on our website at **CareSource.com**. On the Members page, go to Tools & Resources and click on “Find My Prescriptions”.
- Or, call our Member Services Department at **1-844-607-2829** (TTY: 1-800-743-3333 or 711).

We are here to help you. The Member Services Department is open Monday through Friday, 8 a.m. to 8 p.m. Eastern Time.

Sincerely,

CareSource RxInnovations
