Medicare Prescription Payment Plan participation request form

The Medicare Prescription Payment Plan is a voluntary payment option that works with your current drug coverage to help you manage your out-of-pocket Medicare Part D drug costs by spreading them across the calendar year (January-December). **This payment option may help you manage your expenses, but it doesn't save you money or lower your drug costs.**

This payment option might not be the best choice for you if you get help paying for your prescription drug costs through programs like Extra Help from Medicare or a State Pharmaceutical Assistance Program (SPAP). Call your plan for more information.

TERMS AND CONDITIONS:

Upon acceptance into the Medicare Prescription Payment Plan:

- We will inform your pharmacy that you're using this payment option, which will apply only to Medicare Part D covered drugs that are processed after your election is confirmed.
- When you fill a prescription for an eligible drug, you will pay zero dollars at the pharmacy, but you will still be responsible for your cost share of the drug associated with your Medicare Part D benefit under your plan.
- You will receive a monthly invoice for the amount you owe, when it's due, and information on how to make a payment.
- Your payments may change every month because your monthly bill is based on what you would have paid for any prescriptions you get, plus your previous month's balance, divided by the number of months left in the year. However, you'll never pay more than the total amount you would have paid out of pocket or the total annual out-of-pocket maximum.
- If you miss a payment, you will receive a reminder notice. If you don't pay your bill by the date listed, you will be removed from this payment option. However, you are required to pay the amount you owe, and you may not be able to elect back into this payment option.
- You can leave this payment option at any time without affecting your Medicare drug coverage and other Medicare benefits.
- You can do this by selecting Opt-out through the website or calling the phone number listed on the back of your member ID card. However, after you opt out, you will receive an invoice each month for the amount you owe until your balance is paid.
- You'll pay the pharmacy directly for new out-of-pocket drug costs after you leave this payment option.
- Participation in this payment option will automatically make you eligible for important relevant emails.
- If you are disenrolled from your Medicare Part D plan for any reason, or you enroll in a new plan with drug coverage, your participation in this payment option will end. However, you will continue to receive a monthly invoice for the amount owed until your balance is paid in full. If you enroll in a new plan with drug coverage, you may be able to rejoin the Medicare Prescription Payment Plan by contacting your new plan.
- While this payment option helps to manage your costs, it doesn't lower your costs. If you have limited income or resources, you can learn more about programs to help lower drug costs by visiting Medicare.gov.
- If you have a concern, you have the right to follow the grievance process found in your Member Handbook or Evidence of Coverage.
- Express Scripts is administering this program on behalf of your Medicare Part D plan. If your address is different than what is on the form, you will need to work with your plan to update your address.
- If you suspect that your account or password has been compromised, please notify Express Scripts.
- Express Scripts works with a third-party supplier to offer the Medicare Prescription Payment Plan, including providing a website to view your account, schedule and make payments, and review payment history.

Medicare Prescription Payment Plan

There's a new prescription payment plan program you can use. The Medicare Prescription Payment Plan is a new payment option where you can pay out-of-pocket prescription drug costs in the form of monthly payments over the course of your plan year instead of all at once at the pharmacy. It's completely voluntary to join, meaning it's your choice. The program begins on January 1, 2025.

The goal is to help you manage your out-of-pocket Medicare Part D drug costs by spreading them across the calendar year (January-December). There are no fees or interest if payments are made on time. **This payment option may help you manage your expenses, but it does not save you money or lower your drug costs.**

Part D enrollees who face high cost-sharing earlier in the plan year are more likely to benefit from the program. This payment option may not be the best choice for you if you get help paying for your prescription drug costs through programs like Extra Help from Medicare or a State Pharmaceutical Assistance Program (SPAP). Before you make a decision, consider all of your options and what might work best for you.

In 2025, CareSource Dual Advantage members have no copays for Medicare Part D prescription drugs if you receive "Extra Help."

To learn more visit, [CareSource.com/plans/dsnp/pharmacy/drug-cost-help/MPPP](https://www.caresource.com/plans/dsnp/pharmacy/drug-cost-help/MPPP). We're also happy to help. If you have questions, call us at **1-833-230-2020 (TTY: 1-833-711-4711 or 711)**. We are open 8 a.m. to 8 p.m. Monday through Friday, and from October 1 through March 31 we are open the same hours, seven days a week.

PRE-ENROLLMENT CHECKLIST

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at: **1-833-230-2020 (TTY: 1-833-711-4711 or 711)**.

UNDERSTANDING THE BENEFITS

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **CareSource.com/DSNP** or call **1-833-230-2020 (TTY: 1-833-711-4711 or 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

UNDERSTANDING IMPORTANT RULES

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums, and/or copayments/co-insurance may change on January 1, 2026.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a Dual Eligible Special Needs Plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid and are classified as Qualified Medicare Beneficiary (QMB), Qualified Medicare Beneficiary plus (QMB+), Specified Low Income Beneficiary Plus (SLMB+) or Full-Benefit Dual Eligible (FBDE).
- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage health care coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

Information

CareSource - H8390

For 2024, CareSource - H8390 received the following Star Ratings from Medicare:

Overall Star Rating:	Not enough data available*
Health Services Rating:	Not enough data available
Drug Services Rating:	Not enough data available

**Some plans do not have enough data to rate performance.*

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan’s service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

The number of stars show how well a plan performs.

- ★★★★★ EXCELLENT
- ★★★★☆ ABOVE AVERAGE
- ★★★☆☆ AVERAGE
- ★★☆☆☆ BELOW AVERAGE
- ★☆☆☆☆ POOR

More stars mean a better plan – for example, members may get better care and better, faster customer service.

CareSource Dual Advantage™ (HMO D-SNP)

2025 SUMMARY OF BENEFITS

2025 SUMMARY OF BENEFITS

Introduction

You deserve more. You deserve a health plan you can trust.

CareSource is a nonprofit health insurance company that has been meeting the needs of health care consumers like you for over 30 years. Our mission is to make a lasting difference in our members' lives by giving them resources to improve their health and well-being. CareSource Dual Advantage™ (HMO D-SNP) gives you more benefits, more savings, more care... and no hidden costs.

ABOUT THE PLAN

CareSource Dual Advantage is a Medicare Advantage Dual Eligible Special Needs Plan (D-SNP) plan with a Medicare and Medicaid contract. This means that in addition to CareSource Dual Advantage coverage, Georgia Medicaid also shares some of the cost for your health care services. How much Medicaid covers depends on your income, resources, and other factors.

If your category of Medicaid eligibility changes, your cost share may also increase or decrease. **You must renew your Medicaid enrollment to continue to receive your Medicaid coverage.**

WHO CAN JOIN?

To join CareSource Dual Advantage you must meet the following:

- Be entitled to Medicare Part A;
- Be enrolled in Medicare Part B;
- Be enrolled in one of the following:
 - **Qualified Medicare Beneficiary (QMB):** You get Medicaid coverage of Medicare cost-share but are not eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance, and copayments amounts only.
 - **Qualified Medicare Beneficiary Plus (QMB+):** You get Medicaid coverage of Medicare cost-share and are also eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance, and copayment amounts.

- **Full Benefits Dual Eligible (FBDE):** Medicaid may provide limited assistance with Medicare cost-sharing. Medicaid also provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from the State Medicaid Office in paying your Medicare cost share amounts. Generally, your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.
 - **Specified Low-Income Medicare Beneficiary with full Medicaid (SLMB+):** You get Medicaid coverage of Medicare cost-share but are not eligible for full Medicaid benefits. Medicaid helps pay Part B premium amounts.
- Be a United States citizen or lawfully present in the United States;
 - Live in our plan's service area.

The CareSource Dual Advantage service area includes the following counties in Georgia:

Baldwin, Barrow, Bibb, Cherokee, Clarke, Clayton, Cobb, Coweta, Dawson, Douglas, Fayette, Forsyth, Fulton, Greene, Gwinnett, Habersham, Henry, Houston, Jackson, Lumpkin, Madison, Monroe, Morgan, Newton, Oconee, Oglethorpe, Paulding, Peach, Putnam, Rockdale, Spalding, Stephens, Walton

WHICH DOCTORS, HOSPITALS AND PHARMACIES CAN I USE?

CareSource Dual Advantage has a network of doctors, hospitals, pharmacies, and other providers. If you use providers that are out of our network, the Plan may not pay for those services.

You must use network pharmacies to fill your prescriptions for covered Part D drugs.

You can go to **CareSource.com/DSNP** to view or search for a network provider or pharmacy using our online directories or call us and we will send you a copy of the *Provider & Pharmacy Directory*.
